

Using Our Senses to Stay Safe

Read the following true story about a boy who learned about fire safety at school.

Justin is five years old. He was at home when he **smelled** smoke and **heard** the smoke alarm. He **touched** the door to make sure it was cool before opening it. Then, he got out of the house and **looked** for his family at their meeting place. Justin learned about escape planning at school, just like you did.
